Percentage of women-owned businesses per industry in Chile

Women, business and the law: key indicator scores

Scores are determined by criteria defined by the World Bank regarding whether a country's legal framework prevents women from accessing certain rights, opportunities or protections. A perfect score is 100, indicating that women are not legally discriminated against and have the same rights and opportunities as men.

Chile's legal framework does not discriminate against women as they...	Chile	Latin-America
