IMPACT ON EMPLOYEES

46% have seen a decrease in employee morale, while 5% have noted an increase in morale.

32% of respondents have had to decrease their employees’ hours due to the decrease in their revenue.

22% of respondents indicated their employees are unable to work remotely due to lack of technology, and 16% due to lack of internet access.

19% of women have seen a decrease in the number of hours their employees can work due to their family care responsibilities.

IMPACT ON SALES OR REVENUE

90% of women business owners have seen a significant decrease in sales or revenue from January - March 2020.

Of those that saw a decrease in sales or revenue:

- 26% anticipate decreased sales between April and July 2020, and 55% of those anticipate decreases of more than half and 23% of those anticipate sales will stop completely.

- 14% anticipate a 51% - 70% decrease in sales/revenue.

- 16% anticipate a 71% - 99% decrease in sales/revenue.

- 18% anticipate an 11% - 30% decrease in sales/revenue.

- 6% anticipate a 1% - 10% decrease in sales/revenue.

- 1% - 10% decrease in sales/revenue.

- Sales/revenue have stopped completely.

>60% of women business owners have increased their usage of social media and videoconferencing to accommodate the health and safety of their families and employees.
## NEW FINANCIAL CHALLENGES

- Cancellation of contracts or booked revenue: 51%
- Delay in payments for products or services already rendered: 45%
- Have to access my savings: 39%
- Can’t cover operational costs such as rent: 39%
- Need to seek new sources of capital: 38%
- Can’t pay employees: 38%
- Need capital and don’t know where to go: 32%
- Margins are thinning and can’t meet existing budget: 31%
- Delay in pledged contracts or revenue: 26%
- Inability to apply for/receive loans, investment or other capital: 25%
- Buyers extending payment terms: 25%
- Lack of access to necessary inputs (products or services): 22%
- Increased cost of inputs (products or services): 18%

## NEEDS BASED ON LEVEL OF IMMEDIATE CONCERN

1. Adjusting products or services to remain relevant in response to economic changes
2. Securing immediate funding to remain operational
3. Funding for the organization to remain fiscally stable
4. Adjusting delivery of products or services at a time of social distancing
5. Directly responding to or supporting customers, suppliers and other critical business partners dealing with the crisis
6. Adjusting internal operations during social distancing
7. Responding to immediate potential or actual health needs of employees

56% More than half of respondents are in need of support with their employee wages
22% are in need of government funded healthcare for COVID-19
39% of respondents are in need of extensions of credit or penalty waivers from banks
76% need tax relief through delayed or canceled payments
THE BRIGHT SIDE: Women are adapting to optimize or refocus their businesses

- 54% reported identifying and cutting unnecessary expenses
- 42% have shifted to a digital business model
- 32% are creating a new business line in response to local or global needs
- 34% identified new business opportunities
- 37% are growing an area of business in response to local or global needs
- 11% have seen an increase in demand of products or services
- 16% have launched a new product or service early
- 3% found that clients want to move quickly to sign contracts and 5% want to finish projects more quickly

“We are in a time of systems change. None of the assumptions about how the economy works will continue to hold. This is scary but also an opportunity. Imagine how you want your business to look and then find a small (or large) group of others who share that vision and make it real.”

“"My biggest success has been upping stakeholder communication. Giving and asking for continuous feedback has enabled us to strengthen already strong relationships and build new opportunities and relationships to a level of trust very quickly.”

HOW YOU CAN HELP
How can WEConnect International and its member buyers support women-owned businesses in the next 1-3 months?
