

TIER 2 ENGAGEMENT WEBINAR GLOBAL SD&I VALUE CHAIN

TUESDAY, SEPTEMBER 29, 2020 | 10:00 A.M. EST

WEConnect International invites you and your prime suppliers to a complimentary webinar

Join this virtual panel discussion of experienced subject matter experts to share best practices and key steps on how to develop and implement strategies to engage prime suppliers within the corporate value chains with Global Supplier Diversity & Inclusion efforts. This webinar will be an insightful discussion for corporations about the processes and procedures of starting and growing Tier 2 efforts beyond U.S. borders.

This complimentary webinar is for large procurement organizations, their prime suppliers, and other companies including but not limited to those with established U.S. Tier 2 efforts looking to expand beyond the U.S., and those looking to start a global Tier 2 effort.

We hope that you and your key suppliers will join us for this informative panel discussion!
